

MORNING TARDY SWEEP WARNING

Dear Parents and Students,

Reminder: 1st and 2nd period tardiness are subject to detention.

Being on time is an essential work skill and a key aspect in making our campus environment the best it can be.

Valley High School will be enforcing the tardy policy in full, effective January 10th.

Please note that a signed parent note does not excuse student from consequence of detention. Please plan accordingly to be on time to class prior to the tardy bell that rings every day at 8:00 with the exception of Wednesday that bell rings at 9:00. *Only a valid medical note from a doctor is sufficient to excuse detentions.*

Sincerely,

The Valley High Admin Team
