Beginning in the fall only a limited number of fee waivers is authorized by the College Board (SAT) and ACT each year. Once funds have been exhausted, requests for fee waivers will be denied.

- Fee waivers are available only for high school **juniors** or **seniors**.
- Eligible juniors may use a fee waiver for **PSAT**.
- Eligible students can also receive a total of **SIX** fee waivers—**TWO** for the **SAT Reasoning Test**, **TWO** for the **SAT Subject tests** & **TWO** for the **ACT TEST**.
- **Fee waivers may NOT be used after the regular registration deadline date**, nor can they be used for additional college code choices at the time of registration, optional services listed on the Registration Forms, test date change, test center change, or additional score reports requested later.
